Education

Vellore Institute of Technology - AP
Btech in Computer Science and Business Systems

Skills

Software Development	Database Management
Problem Solving	Analytical Thinking
Critical Thinking	Written & Verbal Communication

Profile

Third-year Btech computer science and business systems student at Vellore Institute of Technology - AP, with a strong interest in software development and data analysis. Seeking internship opportunities to apply academic knowledge in practical settings, develop technical skills, and contribute effectively to team projects. Adaptable, motivated, and eager to learn.

Certificates

Deloitte Technology Job Simulation
Completed: July 7, 2025
- Virtual internship focusing on AI and data analysis.

Green Skills Virtual Internship
- Organized by AICTE, Edunet Foundation & IBM India
- Focused on sustainability and green technologies.

Projects

Water Quality Prediction using AI ML 🔗   06/2025 – 07/2025
Explored a machine learning project on water quality prediction by analyzing
and understanding key components such as data preprocessing, library
dependencies, and model training workflow. Gained hands-on exposure to
end-to-end ML pipelines including dataset handling, model building, and
performance evaluation.
